SIR,

In continuation of this office No.B.4139 dated 22nd February 1923, I have the honour to forward herewith a copy of letter No.65 dated the 26th February 1923 received from the Executive Engineer, Mysore Division, soliciting, for reasons given therein, sanction to the advance of a sum of Rs.1,000/- to the Superintendent of the Chamarajendra Technical Institute at Mysore for repairing the wheels of the cars belonging to the Sri Srikanteswaraswami Temple at Nanjangud pending formal adjustment on receipt of regular accounts. As the works are to be completed before the next car festival, I have approved of the Executive Engineer's proposal.

2. Arrangements may kindly be made for the transfer of the amount already asked for, as the claims of the contractor also have to be settled.

I have authorised the Executive Engineer to pay this amount as the repairs of the car have to be rapidly completed for the ------ procession on the 29th instant.

I have the honour to be,
Sir,
Your most obedient servant,
H Rice
Chief Engineer of Mysore

A.N/3rd.

Letter No.65 dated the 26th February 1923, from the Executive Engineer, Mysore Division, Mysore, to the Chief Engineer for Roads and Buildings, Bangalore.

==========

I have the honour to bring to your notice that the Superintendent of the Chamarajendra Technical Institute at Mysore, to whom the ---- repairs of the wheels of the Nanjangud cars have been entrusted complains of paucity of funds to get through the work and requests that a sum of Rs.1,000/- may be placed at his disposal. He states he has already done work to the extent of Rs.600/- but wants funds as he cannot rapidly command them owing presumably to the outstandings tending to reach the sanctioned amount of advance for the --- institute. As our work is urgent, I have decided to grant him the advance pending its adjustment when accounts are rendered. I --- solicit that the sanction of Government may kindly be conveyed to this advance as the circumstance is an exceptional one.
